

New Software and Accessories

The products listed here include hardware, software, publications, events, and services for devices using the Windows Mobile operating system. They are part of our comprehensive Encyclopedia of Software and Accessories at PocketPCMag.com/encyclopedia.asp. We list suggested retail prices, but they may change without notice. These listings do not represent an endorsement by the editors. Many of the software products are available for online downloading. For live links to the Web sites mentioned in this section, visit our Web site at PocketPCMag.com and click on the "current issue" button. Information about the various Pocket PCs themselves can be found in our "At A Glance" section.

Vendors: If you have a product to announce, enter it directly into our Encyclopedia PocketPCMag.com/encyclopedia.asp, or send an e-mail message to Diane Dumas at diane@PocketPCMag.com.

You can also read "How to Get Information Published in *Smartphone & Pocket PC*" PocketPCMag.com/publish.asp.
